NESTOPIA
HOMES LIMITED

UK ARM OF THE NESTOPIA PROPERTY GROUP

# Property, thoughtfully managed.

Property management, accommodation and investment support across the UK.

NESTOPIA HOMES LIMITED

# Who we are

Nestopia Homes combines attentive property management, informed property analysis and practical operational support.

We operate across the UK, providing property management, accommodation operations and property investment support with a focus on clarity, care and consistency.

## Trust, built in.

## Care in the detail.

## Value over time.

# Our property ecosystem

Nestopia manages the relationship between property ownership and day-to-day operations.

NESTOPIA
HOMES LIMITED

# HMO

## Practical. Considered. Consistently Managed.

Nestopia supports the practical day-to-day operation of HMO properties. We manage the details that keep homes running smoothly, tenants well-supported and standards consistently maintained.

- 01 Property management
- 02 Tenant screening
- 03 Tenant onboarding
- 04 Rent administration
- 05 Maintenance
- 06 Inspections
- 07 Compliance coordination
- 08 Furnishing
- 09 Landlord communication

From tenant onboarding to ongoing maintenance and compliance coordination, our focus is on reliable operations and clear communication—delivered with care, consistency and attention to detail.

# R2R + R2R2STR

## R2R

Landlord → Nestopia → Property Operations → Occupants

R2R connects property ownership with managed operations and occupants.

## R2R2STR

Landlord → Nestopia → Property Preparation → STR → Guests → Operations

R2R2STR extends that operating model into short-term accommodation, from preparation through guest stays and ongoing operations.

NESTOPIA
HOMES LIMITED

# From property to accommodation.

SHORT-TERM RENTALS,
HANDLED END-TO-END.

Nestopia builds on existing property deal-analysis technology to support more informed accommodation decisions.

- STR analysis
- ADR
- Occupancy
- Revenue modelling
- Listing management
- Guest communication
